# School Vision

- Large vibrant school where staff enjoy working in and students enjoy learning
- Become an accredited Microsoft Showcase School where the use of Technology enhances learning
- Develop an appropriate KS5 provision for our students to ensure suitable progression to University
- Engaging and effective English curriculum for our students
- Development of the facilities to enhance teaching and learning
- A tailored CPD programme develops our diverse body of staff, regardless of experience and educational background.

# About our School

- English National Curriculum alongside the development of the Arabic Language
- Nursery – from 2 upwards
- Early Years Foundation Stage – EYFS
- Key Stage 1 (Yr's 1&2)
- Key Stage 2 (Yr's 3–6)
- Key Stage 3 (Yr's 7–9)
- Key Stage 4 (Yr's 10&11) – Start iGCSE's and BTEC's
- Key Stage 5 (Yr's 12&13) – 1st cohort of students this year

# Curriculum

- **Primary:**
  - Combination of Classroom teacher alongside specialist teachers
- **Secondary:**
  - Broad and balanced curriculum – over 10 different subjects
  - KS4 – Core: English Literature & Language, Maths, Science, Arabic plus 3 additional 'option' subjects
- Technology – ICDL Qualification
- **iGCSEs and BTECs** – Internationally recognised – clear progression route to University
- **KS5 Offer – BTECs** – Vocational and more appropriate for the local context of students

# Key Stage 5 – New Provision

- **Year 11** students are the first cohort through to take their iGCSE exams (International GCSE Exams)
- **Level 3** – Wide range BTEC Qualifications – these we will develop further – equivalent to A-Levels
  - Travel & Tourism
  - Marketing
  - Business
  - Sport
  - ICT
  - Applied Science

**BUSINESS STUDIES**

# Facilities

- Multipurpose Hall – Volleyball, badminton, table tennis, netball
- Computer suites
- Fantastic Outdoor Space
