Dear Parents,

Re: Exciting Updates to Our School Website – Easier Access to Key Information

Dear Parents and Guardians,

We are delighted to share that our **school website has recently been updated**, making it easier than ever for you to access key information and stay connected with everything happening at Capital School.

Several areas have been enhanced, with further developments to come soon — particularly around our curriculum provision and assessment information.

You can now explore the following sections directly through our website:

- **Term Plans:**
Discover what your child will be learning each term in every subject and year group. Each plan also includes links to online learning resources that support the topics being taught.
<https://www.capitalschoolbahrain.com/term-plans/>
- **School Calendar:**
Stay informed about key events, term dates, and important upcoming activities. The calendar for next term will be updated before the end of November.
<https://www.capitalschoolbahrain.com/calendar/>
- **Policies:**
Access our updated list of school policies, including safeguarding, assessment, and behaviour.
<https://www.capitalschoolbahrain.com/policies/>
- **Education & Provision:**
Learn more about our e-learning approach and the wider educational opportunities available across the school.
- **Parent Corner:**
Watch videos from our parent workshops, catch up on *Capital News*, and browse our curriculum and subject option booklets.

We encourage all parents to visit the website regularly to stay up to date and make full use of these helpful resources.

Reminder:

- Join us **tomorrow, Wednesday, 5th November at 8:00 AM** for a live-streamed welcome meeting. Ms. Aysha will be sharing her vision for the Arabic department and outlining some of

the exciting changes she is making to the team:

- To report a pupil absence, please contact us via attendance@capitalschoolbahrain.com.
- Key information about your child — including **attendance records, behaviour logs, assessment grades, and reports** — can also be accessed at any time via the **iSAMS Parent App**.

Thank you, as always, for your continued support and engagement in school life.

Kind regards

Assheton Woodall
Principal
