Dear Parents and Guardians

Re: Year 12 Options - Key Dates and Survey

Please complete the Year 12 Initial Options Survey along with your child, where they indicate their top five subject choices for Sixth Form. This input is invaluable in helping us shape our curriculum and supporting your child's decision-making process.

 [Sixth Form Subject Choices – Initial Expression of Interest – Fill in form](#)

Deadline for Survey Submission: End of Day Thursday, 11th December.

As your child transitions into Year 12, here are some key dates to remember:

- Wednesday, 10th December 2025: A-Level and BTEC Briefing event in MPH.
- Wednesday, 7th January 2026: A-Level and KS5 Information Evening.
- Sunday, 25th January: Additional session for those unavailable during previous events.

We strongly encourage you to attend at least one of these events to support your child's choices.

Thank you for your support.

Kind regards,

Assheton Woodall
Principal
