Dear Parents and Guardians

Good afternoon,

As we come to the close of a busy and successful term at Capital School, I would like to extend my sincere thanks to all our families for your ongoing support, positivity and trust. The progress we have made across the school this term reflects the strength of our community and the shared commitment we hold for our children. As we move into the new term, I would like to remind parents of the importance of maintaining full school uniform standards. Please note that the only hoodies permitted in school are the official Capital School branded hoodies, which are available for purchase through the school shop. Your continued support in ensuring pupils come to school dressed correctly and with pride is greatly appreciated.

Our celebrations for Bahrain National Day were a true highlight, and I must express my appreciation for the tremendous effort from both staff and parents. The collaboration and energy that went into the event created a magical day for our pupils and concluded the term on a wonderful high. Thank you for joining us, contributing ideas, supporting performances and helping us build a school identity that our pupils can take great pride in.

Looking ahead, the spring term will bring exciting new developments. We are delighted to confirm that our long-awaited STEAM building will open officially early next term. This marks a major step forward in our academic and creative provision, and we cannot wait for pupils to begin learning, exploring and innovating in this state-of-the-art space. We will soon be inviting parents to attend guided tours to observe lessons and experience the facilities first-hand; these dates will be shared with you in the new year.

All Spring Term key dates, including provisional Ramadan dates and adjustments to timings, will be provided as a link attached to this letter and will also be available on the school website. We are sharing Ramadan information early to support families in planning ahead, recognising the importance and significance of this holy month for our community.

Primary Update

Our Primary Phase has enjoyed an excellent term filled with progress, creativity and joyful learning. We have seen strong development across core subjects, alongside enriched learning through trips, themed days, performances and community engagement. We will continue to strengthen reading, writing, Arabic and maths provision next term, and we look forward to further parental involvement through open mornings, workshops and classroom events. More detailed information, including dates and opportunities to attend, can be found in the attached schedule.

Secondary Update

In the Secondary Phase, we are pleased to announce the launch of our new Level 3 qualifications, including A-Levels, which will run alongside our current BTEC provision. This marks a significant expansion of our Key Stage 5 offer and ensures Capital School continues to provide pathways that meet the needs, interests and ambitions of our young people.

Several events will be held during the spring term to support parents and pupils in selecting the qualification route that is right for them. Following this, we will move into the Year 9 into Year 10 KS4 options process, where we will also be increasing the range of subjects available. Please refer to the published dates in the attached link for these important evenings.

I would also like to take this opportunity to thank our staff for their dedication, care and commitment to providing the very best for every child. I would also like to thank you, as parents, for the valued partnership we share. A strong home–school relationship makes an immeasurable difference to pupil success, and we are proud to work alongside you.

Wishing you and your families a restful holiday and a peaceful break. We look forward to welcoming everyone back refreshed, ready for a new term filled with progress, achievement and opportunity.

Warm regards,

The Senior Leadership Team
Capital School
