Dear Parents and Guardians,

Re: Capital School Primary Think Pink Day

We are delighted to inform you that **Capital School Primary** will be celebrating **Think Pink Day** on **Tuesday, 28th October**, as part of our efforts to raise awareness about breast cancer and promote kindness and care within our school community.

Throughout the day, pupils will take part in a variety of **fun, hands-on activities** both in class and around the school, all centred on the theme of helping others and showing compassion. We will also host a **mindfulness morning**, and our lovely **school counsellors** will speak with the children about the importance of being kind, supportive, and understanding towards others.

As part of our awareness campaign, we will also be **raising funds for the Bahrain Cancer Society**. To support this cause, we will be selling **Capital School Cares – Think Pink T-shirts**, as well as **ribbons and wristbands** on the day.

- Please fill out the form below to select your child's **T-shirt size**, **t-shirts are 5bd each**. [T-shirt Order form - Click Here!](#)
- **Payment must be made by Tuesday, 21st October** to allow time for printing and delivery.
- T-shirts will be **handed out on the 26th and 27th of October** for pupils to wear on Think Pink Day, **Tuesday, 28th October**.
- **Payments** can be made either by cash or card at the cashier office and online through the <https://capitalschool.net/en/qpay>
- On the day, children may also bring **1 BD to 2 BD** (please bring exact money) if they wish to purchase a ribbon, bracelet, bubbles or wristband.

All proceeds raised will go directly to the **Bahrain Cancer Society**, supporting their ongoing work in awareness, research, and community support.

Thank you for your continued encouragement and generosity in helping our pupils understand the importance of compassion and community.

Warm regards,

Kind regards,

Sian Thorne
