Dear Parents and Guardians,

Re: Secondary School Trip

We are delighted to announce an exciting second term trip for all our Secondary School pupils— a day trip with Arabian Adventures Bahrain ([Arabian Adventures - Explore Bahrain](#)). This special opportunity will take place across several days at the beginning of next term, with each year group attending on a designated date.

The day has been carefully designed to support the development of key 21st Century Skills (Collaboration, Communication, and Critical Thinking), through a series of fun, team-based adventure challenges and problem-solving activities led by qualified instructors. Pupils will work together outdoors, developing teamwork, leadership, and resilience while enjoying a safe and memorable learning experience.

Trip Details

Departure from School: 8:15 am (after registration)

Return to School: Approximately 2:30 pm

What to Bring: Packed lunch, refillable water bottle, hat, sunscreen, and comfortable clothing suitable for outdoor activities.

Educational Benefits

This experience will provide every pupil with valuable learning opportunities outside the classroom. Through teamwork and outdoor challenges, pupils will:

- Strengthen their communication and collaboration skills.
- Develop critical thinking and resilience.
- Build confidence through shared problem-solving and reflection.

We are confident this will be a highlight of the term and a memorable learning experience for all pupils.

Thank you for your continued support. We look forward to sharing this adventure with our Secondary School community.

Warm regards,

Mr. Scott Holden
Head of Secondary
