**Dear Parents,**

**Re: Introducing Our Digital Strategy Bulletin**

I am pleased to share with you the first edition of our Digital Strategy Bulletin, which will now be sent out once a month. Each issue will give you a clear overview of how we are using technology to support teaching, learning and online safety, as well as practical tools you can use at home with your child. The newsletter is attached to this email.

 [CSB Parents Digital Strategy Bulletin - Autumn Term - December 2025.pdf](#)

I would strongly encourage you to read this first edition carefully, as it includes important information about our Bring Your Own Device (BYOD) scheme for Years 10–12, including expectations, setup guidance and next steps for families. This information is essential to ensure your child can fully access their learning in school.

Thank you in advance for taking the time to read it and for your continued support as we develop a calm, purposeful and future-focused digital culture at Capital School.

Warm Regards,

**Mr. Nathaniel Lively MBCS MIPSA ATIOB**
