Dear Parents/Guardians,

### Re: Exciting Year 7 Residential Trip to Oman – Sign Up Now!

We are thrilled to share that an exciting opportunity has become available for our **Year 7 pupils to take part in a residential trip to Oman**, alongside our **Year 6 pupils**, as part of a unique cross-phase transition and leadership experience.

Although this opportunity has arisen at short notice, the trip will take place from:

**Sunday 1st February 2026 – Thursday 5th February 2026**

This international residential will give pupils the chance to experience another culture, develop independence, and build teamwork and leadership skills through meaningful collaboration across key stages.

Due to **strict number constraints**, we are only able to offer **10 places for Year 7 pupils**. Places will be allocated on a **first-come, first-served basis**, and will therefore be limited to the **first 10 pupils who return a completed sign-up form**. Once all places are filled, any additional responses will be added to a reserve list.

This is a fantastic opportunity for students to:

- Take part in international residential travel within a safe, structured educational setting
- Build confidence, resilience, and independence
- Strengthen teamwork and communication skills
- Develop leadership through working with Year 6 pupils
- Engage in valuable transition experiences across primary and secondary phases

Further details, including **costs, travel arrangements, and a full itinerary**, will be shared directly with families who secure a place.

If your child would like to be considered for this exciting opportunity, please complete and return the attached sign-up form as soon as possible.

We appreciate your understanding regarding the short notice and limited availability, and we are confident this will be an incredibly enriching and memorable experience for those who are able to attend.

Thank you for your continued support.
