Dear Parents,

**Re: Keeping Our School Community Safe**

We have recently been contacted by a local neighbor who has raised concerns about vehicles entering the school premises at excessive speed. As the school is in a residential area and busy during drop-offs and pickup times, this presents a safety risk to pupils, families, staff, and local residents.

While we recognise that these times can be rushed, we kindly ask all parents and carers to take extra care when driving around and within the school grounds. Driving slowly, remaining alert, and being mindful of pedestrians, particularly children, helps to keep everyone safe.

As families and drivers approach the school entrance, we kindly ask that you give way to residents who are leaving. Please ensure they have clear access to pass through. Your cooperation will help maintain smooth traffic flow for everyone

Thank you to the many families who already model safe and considerate driving. Your cooperation and patience make a real difference to our school community.

Safeguarding is a shared responsibility, and we appreciate your continued support in helping us maintain a safe environment for all.

Warm wishes,

Capital School
