

Thursday 12<sup>th</sup> February 2026

Dear Parents,

**Re: Time to Choose: Tuesday Enrichment Awaits!**

We are delighted to announce that, after the half-term break, our pupils will have access to an exciting range of new enrichment opportunities that they themselves have chosen. All pupils took ownership of the enrichment opportunities by choosing what they would like us to offer; all enrichment programs are now designed to what our pupils want to learn about. They are designed to extend learning beyond the classroom and to support the development of a wide variety of interests and skills.

This term, we are pleased to introduce several new clubs, including our **Spanish** in FS2, as well as additional opportunities in **sports, IT, and global and cultural awareness**. We believe these experiences will further enhance pupils' creativity, teamwork, and curiosity. We have also added more Arabic enrichment opportunities for each year group.

Below, you will find the attached link. We kindly ask that you sit with your child to review the options together and encourage them to select their preferred club (one choice per child), please only fill out the form once. This time, we have added a 'seat allocation countdown'. This means all clubs (except selected specialist clubs), start with 25 slots. Once selected, the slots will become less, thus ensuring we do not go over capacity meaning we are providing more opportunities for quality first learning.

Please note that, due to limited spaces, all clubs will operate on a **first-come, first-served basis**. **Kindly fill out the form by Tuesday the 17<sup>th</sup> of February**.

Thank you for your continued support in helping us provide enriching and enjoyable learning experiences for our pupils.
