Dear Parents and Carers,

RE: Exciting Update: Enhanced Referral Programme

We are delighted to share some wonderful news with you. Our Referral Programme has been enhanced to provide even greater benefits for our families. Beginning this academic year, families who successfully refer a new pupil will receive a 10% reduction in tuition fees.

In addition, the referred parent will benefit from a waiver of the registration fee.

Discount Benefits

- ✓ For the Referring Parent (You): Receive a 10% reduction on one child's annual tuition fees for each successful referral.
- ✓ For the Referred Pupil: The new pupil will benefit from a full waiver of the registration fee.

How to Participate

- Kindly share details of our school with friends, family members, or colleagues who may be interested.
- Please email our Admissions Office at admissions@capitalschoolbahrain.com, providing the name and contact information of the pupil you are referring. Our admissions team will acknowledge receipt of your referral.
- Ensure that the referred family includes your name when contacting the Admissions Office.
- You are most welcome to refer more than one pupil, and in doing so, you may enjoy multiple reductions.
- Once the new pupil's enrolment has been confirmed and the first term's fees have been settled, **a 10% reduction will be applied to your tuition fees.**

Terms & Conditions

1. The reduction applies solely to full academic year enrolments and will not be granted on a term-by-term basis.

2. Where more than one child is enrolled, the reduction shall be applied to the child in the lowest year group first.
3. The reduction will be applicable only if fees are paid on or before the due date.
4. All other terms and conditions set out in the school's policies remain in force.

Siblings of existing pupils do not qualify as referred pupils under this programme.

We believe this enhancement will further strengthen our school community and serve as a token of appreciation for the trust and support you continue to place in us.
