Dear Parents and Guardians,

I hope this message finds you and your families well.

As we enter the Eid holiday, *for all who are celebrating I wish you Eid Mubarak*, and to everybody, I hope that this break brings you safety, peace, and a chance to switch off and relax. Thank you for your continued dedication and kindness. It is a privilege to lead and be part of such a supportive and inspiring community.

At this time, we have not received any update from the Ministry of Education regarding a return to normal lessons. Therefore, **Wednesday 25th and Thursday 26th will remain online learning days**, following the **same arrangements that were in place last week**.

I will write to you **before the end of Thursday 26th** with an update on what the following week will look like, once we receive further clarity.

Wishing you and your families a restful and blessed holiday.

Warm regards,

Mr Assheton Woodall
Principal
