Dear Parents and Guardians of Year 10,

RE: Maths and Science modular examinations

We hope you are well. We are writing to inform you of an important update regarding the upcoming Maths and Science modular examinations for Year 10.

Due to the ongoing conflict and the impact it is having on our community, we have made the decision to postpone the Maths and Science modular exams, which were originally scheduled for June 2026, to the November 2026 examination sitting. This decision has been taken with great care and is aimed at supporting pupils' wellbeing, reducing pressure during this challenging period, and ensuring they have sufficient preparation time.

As part of this change, all Year 10 pupils have been withdrawn from the June 2026 sitting.

Please note that any exam fees already paid will be carried forward to the November sitting.

Please also be aware that the scheme of work will continue to be taught in the new academic year, and pupils will be given appropriate time for revision before the November examination session.

We appreciate your understanding and ongoing support. Our priority remains ensuring that all pupils feel confident, secure, and fully supported in their learning journey.

Should you have any questions, please do not hesitate to contact us.

Kind regards,

Mr Dan Allen
Assistant Headteacher
