Dear Year 11 Parents,

Re: Year 11 Assessment Timetable

Please find attached the Year 11 assessment timetable, which outlines the arrangements for gathering evidence following the cancellation of examinations in the region. All Year 11 students have also been provided with a copy of this timetable.

Assessment week will begin on Monday 4 May.

If you have any initial questions, please direct these to your child's subject teachers. Should you require any further clarification, please do not hesitate to contact either myself or Mr Dan, Assistant Headteacher.
