Dear Parents,

**RE: Year 9 End of Year Drama Assessment**

As we embark on the end of the year before the pupils start their assessments; I'm delighted to invite you to the Year 9 End of Year project, which will take place in the first week of June in the upcoming weeks. The project will be a pupil-led production where each pupil is given the responsibility of a specific task of creating a theatre production in its entirety; all roles will be assessed on the day from behind the scenes to the actual performance on stage featuring a short showcase of scenes adapted by the pupils in the term.

Performance dates are as follows:

**All Pupils Year 9A – Monday 1st June 3:30 - 4:20**

**All Pupils Year 9B – Wednesday 3rd June 3:30 – 4:20**

**All Pupils Year 9C – Thursday 4th June 3:30 – 4:20**

**All Pupils Year 9D – Thursday 4th June 4:40– 5:20**

The performances will begin promptly so we kindly ask that all guests arrive on time as late arrivals may disrupt the performance and the pupils' assessment. We are very proud of the creativity, collaboration, and dedication the pupils have shown in preparing their performances, and we look forward to sharing their work with you.

Thank you for your continued support and we look forward to welcoming you on the specific day of your child's performance.

Kind regards,

**Mr Chad Palmer**

Head of Drama Dept.
