

Tuesday, 2nd June 2026

Dear Parents,

RE: Primary- Classes for 2026-2027

As we begin planning for the 2026–2027 academic year, we will soon be starting the process of organising classes for August.

When creating classes, we carefully consider a range of factors to ensure that each class provides the best possible learning environment for all pupils. This includes achieving a balanced mix of abilities, learning needs, personalities and behaviour, while also considering positive friendships and social relationships.

In previous years, pupils have had the opportunity to discuss in school which classmates they would like to be with in the following academic year. This year, we would like to involve parents in that process by allowing these conversations to take place at home.

Using the form linked below, please:

- Select your child's **current** class.
- Enter your child's full name.
- List up to five children whom your child would like to be in a class with next year.

Whilst we cannot guarantee specific class placements or friendship groups, we can guarantee that every child will be placed with at least one pupil from the list provided.

This information will be used alongside our professional knowledge of each child to help us create classes that are balanced, supportive and conducive to both academic success and personal wellbeing.

Please note that requests for specific teachers cannot be accommodated. Class placements are determined through a careful process that considers the needs of all pupils across the year group.

The deadline for submitting the form is Sunday 7th June at 09:00.

Thank you for your support as we prepare for another successful academic year.

Kind regards,

Mr William Winton

Head of Primary
