**Dear Kingfisher Parents,**

**RE: Year 3 Kingfisher Update**

I am writing to provide an update regarding staffing arrangements for Kingfisher Class.

Unfortunately, Ms Michelle is unable to continue in her role due to an illness within her family. We would like to thank her for the support she has provided to the children during what has been a challenging period following our return to school, and we are sure you will join us in wishing her and her family all the very best at this difficult time.

For the remainder of this week, Kingfisher Class will be taught by Ms. Nada to ensure continuity and stability for the children. As the curriculum has already been completed, pupils will now be focusing on revision and preparing for their upcoming assessments. This arrangement will help them feel confident and well-prepared while maintaining consistency in their learning environment.

Looking ahead to next week, as we enter our end-of-year assessment period, we feel it is important that pupils complete their assessments with an established class teacher. Therefore, from Sunday, Kingfisher pupils will be placed into other Year 3 classes to complete their assessments. These will be the same class groups that pupils were allocated to prior to Ms Michelle joining us, ensuring that they are returning to familiar teachers, classmates and routines during this important assessment period.

Due to the calendar for the remainder of the term, including the short day on Sunday 14th June, the Islamic New Year holiday, and the Parent-Teacher Meeting Day, we anticipate that pupils will remain in these classes until the end of the academic year. We believe this will provide the children with the greatest consistency and support during a busy final few weeks of term.

Thank you for your continued support and understanding.

Kind regards,

**Mr William Winton**

Head of Primary
