Dear Parents and Guardians,

RE: Year 3 Trip to Jump Up Trampoline Fun Park - Update

Following our recent communication regarding the upcoming **Year 3 trip to Jump Up Trampoline Fun Park on Monday, 15th June 2026**, we are pleased to share some positive news.

Due to the positive number of pupils signed up for the visit, we have been able to review the overall costs and are pleased to confirm that the price of the trip has been reduced from **BD 16.500 to BD 11.500 per pupil**.

The trip itself remains unchanged, and pupils will enjoy the same exciting experience, including transportation, entry to the trampoline park, activities and refreshments, as originally planned.

We are delighted to be able to pass this saving on to families while maintaining the full quality of the experience. The visit will continue to provide a wonderful opportunity for pupils to enjoy physical activity, develop their social skills and celebrate the end of a successful academic year alongside their classmates.

For families who have already made payment at the original rate, we are pleased to confirm that the difference of BD 5.000 will be added as a credit to your child's school account. This credit can be used towards future trips, activities or offset against school fees.

Thank you for your continued support. We look forward to what promises to be a fantastic day for our Year 3 pupils.

Kind regards,

Mr William Winton

Head of Primary
