

Sunday, 7th June 2026

Dear Parents and Guardians,

RE: Year 6 Transition Day–18 June 2026

We are delighted to inform you that we look forward to welcoming our **Year 6 pupils for their Transition Day at Secondary**, which will take place on **Thursday, 18th June 2026**.

The day will begin with an assembly in the **Multi-Purpose Hall (MPH) at 7:45am**, where pupils will be welcomed and introduced to the Secondary School experience. It will conclude at 12:25pm, when pupils will return to join their Primary teachers.

During this special morning, pupils will have the opportunity to experience life in Secondary School, following a typical timetable and attending a range of engaging lessons, including Mathematics, English, Science, Design Technology, Art, and Music. These sessions will introduce pupils to our exciting STEAM building and the wider secondary learning environment.

Our friendly and supportive secondary pupils and counsellors will be on hand to guide the children throughout the morning, helping them move between lessons and settle into their new surroundings. Additionally, our dedicated Secondary teachers are very much looking forward to meeting the pupils and providing them with a positive and inspiring preview of what lies ahead in our Year 7 Key Stage 3 curriculum.

We understand that the transition from Year 6 to Year 7 can feel daunting for some pupils. Please be assured that we are committed to making this experience as smooth and reassuring as possible. Our aim is for every pupil to leave feeling confident, enthusiastic, and ready to embrace the next stage of their learning journey—embodying our values of being ready, respectful, and safe.

We look forward to an exciting and successful Transition Day.

Yours sincerely,

Ms Lulu Martins
KS3 Progress Leader
