

Sunday, 14th June 2026

Dear Parents and Caretakers,

RE: AI & Robotics Summer Camp 2026

Get Ready for a Remarkable Summer of Innovation, Creativity, and Discovery!

The AI & Robotics Club at Capital School is delighted to invite young innovators to our **AI & Robotics Summer Camp 2026** — an engaging, hands-on programme where pupils will design and build robots, learn coding, explore artificial intelligence, and bring their ideas to life.

Whether your child is entirely new to robotics or already has some experience, this camp provides a stimulating and supportive environment to develop future-ready skills, make new friends, and tackle exciting challenges.

Programme Details

- **Location:** AI & Robotics Club, Capital School, Bu Quwah
- **Dates:** 28 June – 7 July 2026 (8 days)
- **Time:** 10:00 am – 12:00 pm daily
- **Age Group:** 8–15 years
- **Course Duration:** 16 hours (8 sessions × 2 hours)
- **Fee:** BD 50
- **Technology Platform:** MC4.0 Maker & Coder Kit (*Optional purchase: MC4.0 Kit available for BD 100 + VAT*)
- **Certification:** Certificate of Completion awarded to all participants

What Pupils Will Learn

- **Design and build robots** — pupils will create and programme their own machines.
- **Learn coding** — through interactive, project-based activities.
- **Explore Artificial Intelligence** — and discover smart technologies shaping the future.
- **Understand sensors and automation** — with real-world applications in robotics.
- **Take part in team challenges** — fostering collaboration and innovation.
- **Develop problem-solving skills** — alongside creativity and critical thinking.
- **Showcase projects** — presenting their work at the end of the camp.

Why Join?

- **Hands-on learning** with experienced AI & Robotics mentors.
- **Beginner-friendly** yet equally suitable for advanced learners.
- **Small group sessions** offering personalised guidance.
- **Fun and engaging activities** delivered through project-based learning.
- **Explore future careers** in technology and innovation.

Pupil Grouping and Registration

Pupils will be grouped according to their level of experience and will progress from **fundamental** to **advanced** concepts at a pace that suits them.

Register Today!

Spaces are limited to ensure that every pupil receives individual attention.

Registration Form:

[Join the Summer Camp at AI & Robotics Club, Capital School Bahrain\(CSB\) – Fill in form](#)

Don't miss this opportunity to ignite your child's curiosity, creativity, and confidence in the technologies shaping our future.

Join us this summer and take the first step into the fascinating world of **Artificial Intelligence and Robotics!**
