Dear Capital School Families,

RE: Admissions Now Open for 2027–2028

We are delighted to share some exciting news with you! Admissions for the 2027–2028 academic year are now open, and we wanted our valued school families to be among the first to know before we announce it to the wider public.

As a thank you for being part of the Capital School community, we are pleased to share two special offers for the coming academic year.

1. Early Registration Offer – 15% Tuition Fee Discount

Families who register their children for Pre-Nursery or FS1 on or before 31 January 2027 will benefit from a 15% discount on the annual tuition fee.

If you have a little one ready to begin their educational journey with us, this is a wonderful opportunity to join the Capital School family.

2. Family Referral Programme – Share the Capital School Experience

At Capital School, we believe that our families are our greatest ambassadors. Your recommendations mean a great deal to us, and we encourage you to share your positive experience with friends, family members and colleagues who may be seeking the right educational environment for their children.

Through our Family Referral Programme, when you refer a family who enrols their child at Capital School:

Your family will receive BD 200 off your child's tuition fees.

The newly joining family will benefit from a waived registration fee.

How to Make a Referral

Simply email our team at admissions@capitalschoolbahrain.com with the following details:

Your name.

The prospective parent's name and mobile number.

The prospective child’s name.

Our Admissions Team will then contact the prospective family directly, answer their questions and guide them through the next steps of the admissions process.

We are proud to be part of your child’s learning journey and look forward to welcoming more families to the Capital School community. By sharing your experience, you can help other families discover a nurturing, inspiring and engaging environment where children are encouraged to learn, grow and thrive.

Thank you for being part of the Capital School family. We look forward to another exciting year of learning, growth and achievement together.

Warm regards,

Radheya Isa

Head of Operations and Parent Relations
