Dear Parents

Re: Secondary End of the Week Letter

What a wonderful start we have had to the new academic year at Capital School! The energy and positivity around campus have been fantastic, and it has been a real pleasure to see our students settling back into school life so quickly and enthusiastically.

We are especially delighted to welcome our new pupils and teachers who have joined the Capital School community this year. The atmosphere has been fabulous, with existing students and staff going out of their way to make sure everyone feels at home. The kindness, openness, and enthusiasm shown by our pupils has made this transition smooth and joyful for everyone involved.

I would also like to draw your attention to some upcoming events for parents. On **Tuesday, 2nd September**, we will be hosting our **Parent Information Meetings**:

- **Years 7–9 at 8:00am**
- **Years 10–11 at 3:00pm**

During these sessions, I will be sharing our academic plans for the year ahead as well as the wide range of enrichment opportunities available for our students. At Capital School, we strongly believe that school is much more than just lessons—it's about providing experiences that help pupils grow, discover their passions, and prepare for the future.

I will also take this opportunity to explain in more detail the **pupil pathway from Year 7 through to Year 13**. It is very important to me that parents feel as informed and involved as possible right from the beginning of their child's journey with us.

In addition, we will be running **parent workshops throughout the year**, and we want these to be shaped by your feedback. Our aim is to ensure these sessions are genuinely useful and relevant, helping you to feel fully equipped and supported as part of your child's education. This year, more than ever, we want to focus on **school and parents working together**, with open and effective communication at the heart of everything we do.

We are so excited about the year ahead and the many opportunities it holds. Thank you, as always, for your continued support. Together, we can ensure that this year is a happy, successful, and inspiring one for all our students.

Warm regards,

Mr. Scott Holden
Head of Secondary
