Purpose of the Parent's Teacher Organisation (PTO)

The aim of our PTO is to contribute to the building and enhancement of Capital School's community life. Moving forwards, we would like this organisation to support us with the organising of community events throughout the year, as well as many in-school activities such as Bahrain National Day and other annual festivities across the school.

There are many ways you can get involved as an organisation member or as a casual volunteer on a project basis. Your commitment of time is completely determined by your own availability. We appreciate that many parents work full-time and we are keen that all parents have the opportunity to get involved in some capacity - big or small.

WHY JOIN THE PTO?

#1: CHILDREN BENEFIT

Research shows that children perform better when parents are engaged in education both at home and at school! Parental involvement boosts student achievement.

#2: THE SCHOOL BENEFITS

The PTO provides support for teachers and administrators and strives to create a positive and caring atmosphere in the school.

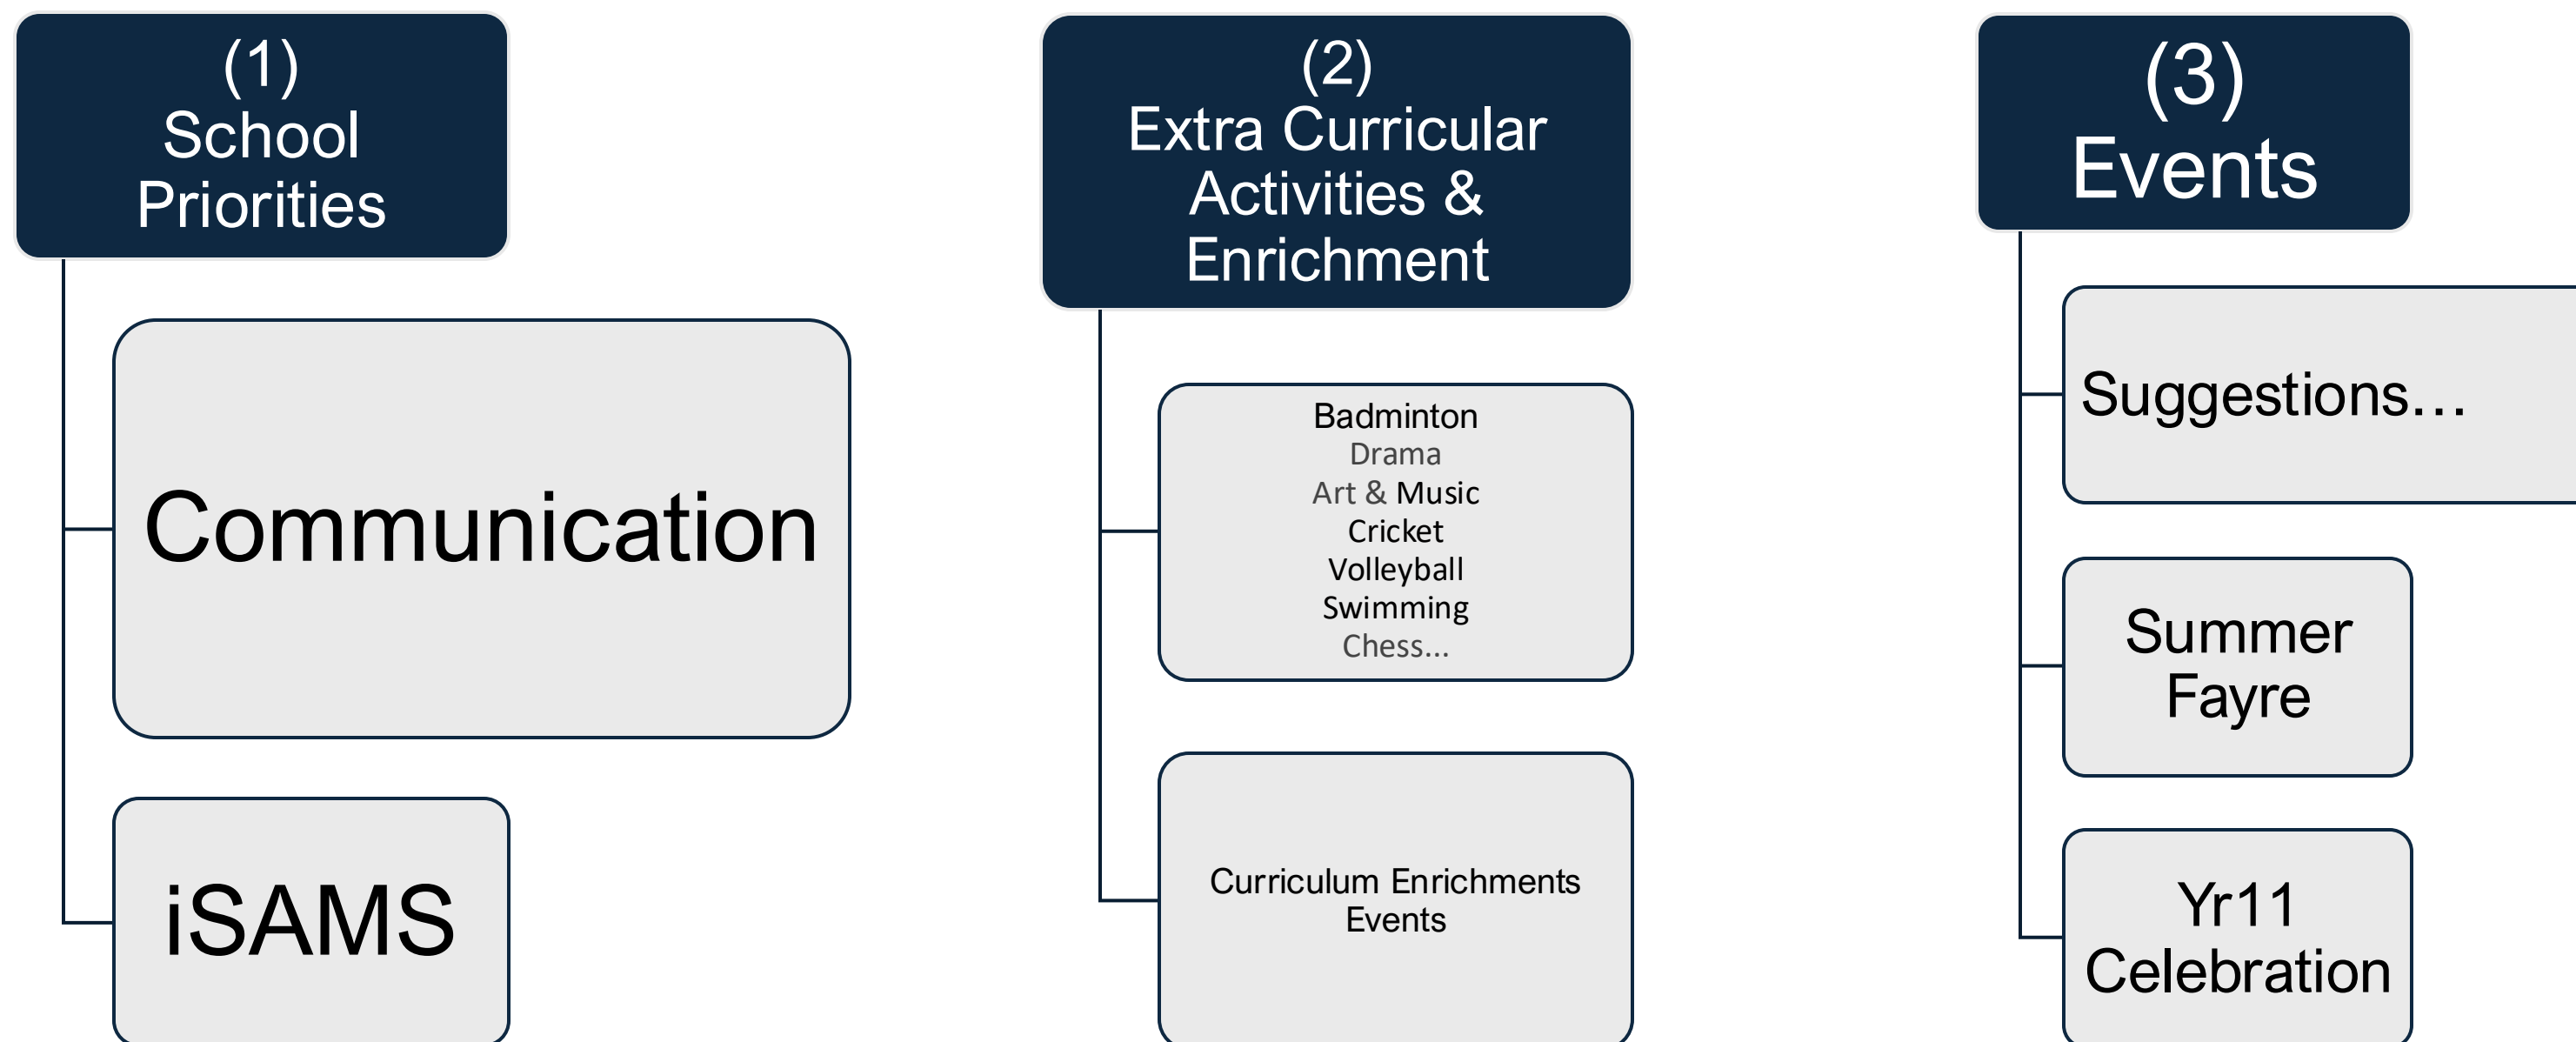

#3 CONNECTIONS

Get to know the teachers and staff better & make life long friends with other parents at the school!

What could you help with?
