

Welcome to Capital School

Leadership Team

Our Purpose

At Capital School, we strive to nurture happy, creative and confident learners. We create an inclusive environment where all children feel valued and empowered, preparing them to thrive as global citizens.

Our Mission

Our mission is to create a nurturing and inclusive school community where students, staff and parents support one another, cultivate a love of life-long learning and are inspired to grow into the best possible version of themselves.

Creating life-long learners

Supporting each other

Being your best self.

Curriculum Overview

Curriculum

At Capital School we follow the English National Curriculum with adaptations for greater suitability in an international school, particularly in Bahrain.

Early Years Foundation Stage

Primary School

Secondary School

Curriculum Structure

Core Subjects: English, Mathematics, Science and Arabic are all mandatory at all Key Stages. These subjects are critical for academic development and are assessed through national tests and examinations.

Foundation Subjects: Include ICT, Geography, History, Music and PE. These subjects provide a well-rounded education and help develop a broad range of skills and knowledge.

Personal, Social, Health, and Economic Education (PSHE): Focuses on personal development, well-being, and life skills. This subject covers topics such as health, relationships and financial education.

Curriculum Aims

Breadth and Depth: The National Curriculum aims to provide a broad and balanced education that covers a range of subjects and develops a variety of skills.

Progression: Ensures that pupils build on their prior knowledge and skills as they move through the Key Stages, preparing them for further education or employment.

Equity: Designed to be inclusive and provide equal opportunities for all pupils, regardless of their background or abilities.

Class Teachers

Class Teachers will:

- Listen to pupil concerns;
- Try to resolve issues and difficulties;
- Pass on messages and announcements;
- Help with academic and personal problems;
- Make sure that pupils in the class are following the school rules;
- Communicate with parents if there are any problems.

School Council

The School Council is a chance to have an impact on the school and put forward about how we can improve things for all stakeholders.

- Members are voted to stand as representatives of their class.
- The School Council forum (meetings) will be held every fortnight.
- Class representatives will discuss the proposals and put forward their ideas.
- The outcomes of these meetings and discussions will be taken to a meeting of the Senior Leadership Team where they will be discussed.
- The Parliament will then be given feedback and any next steps the school will take.

Enrichment and Wider Opportunities
